A Riveting and Timely Tale

In Samira Ahmed's gripping and thought-provoking novel, *Internment*, readers are transported to a dystopian future where prejudice and fear have taken hold. The story follows Layla Amin, a Muslim-American teenager who is forced into an internment camp after the government declares a state of emergency.

As Layla and her fellow internees struggle to survive in the face of unimaginable hardship, they must also confront the insidious forces that have led to their imprisonment. Ahmed's novel is a powerful indictment of racism, Islamophobia, and the dangers of unchecked government power.

A Haunting and Hopeful Story

Internment is a harrowing and emotionally charged novel, but it is also a story of hope and resilience. Layla and her fellow internees find strength in their shared experiences and in the bonds they form with one another. They refuse to give up hope, even in the darkest of times.
