

# On Call In The Arctic: A Doctor's Amazing Story of Survival, Compassion, and the Healing Power of Nature

In the remote and unforgiving Arctic, where temperatures can plummet to -50 degrees Celsius and blizzards can rage for days, Dr. Rachel Thomas worked as the only doctor for a community of over 1,000 people. For four years, she faced extreme weather, isolation, and life-threatening emergencies that tested her limits both physically and emotionally.

In her gripping memoir, *On Call In The Arctic*, Dr. Thomas shares her unforgettable experiences, including:

- Performing emergency surgery by headlamp in a remote village clinic
- Delivering babies in the middle of a blizzard
- Treating patients with frostbite, hypothermia, and other life-threatening conditions
- Providing comfort and support to patients and families in the face of tragedy

But On Call In The Arctic is more than just a medical memoir. It is a story of resilience, compassion, and the healing power of nature. Dr. Thomas writes about the challenges she faced with honesty and humor, and she shares the lessons she learned about herself, her community, and the importance of human connection.

On Call In The Arctic is an inspiring and unforgettable read that will stay with you long after you finish it.

### **Praise for On Call In The Arctic**

"A gripping and inspiring memoir that will change the way you think about medicine, the Arctic, and the human spirit." - Jon Krakauer, author of Into Thin Air and Into the Wild

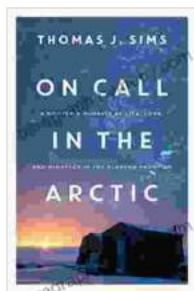

"A powerful and moving story of survival, compassion, and the healing power of nature." - Elizabeth Gilbert, author of Big Magic and Eat, Pray, Love

"A must-read for anyone who has ever dreamed of living in the Arctic, or for anyone who wants to be inspired by the human spirit." - Sarah Palin, former governor of Alaska
