A Story of Resilience and Triumph

On May 11, 2012, a sudden storm swept through Mount Everest, claiming the lives of 11 climbers. Among them was Rob Hall, the legendary mountaineer and founder of Adventure Consultants. His death sent shockwaves through the climbing community and left a lasting legacy of grief and loss.

In this gripping and emotionally charged account, Rob's widow, Janette, tells the story of that fateful day and the extraordinary resilience that emerged in its aftermath. Weaving together her own personal experience with the testimonies of survivors and rescuers, Janette paints a vivid and haunting picture of the events that unfolded on Everest.

Surviving the Mountain's Deadliest Day is a story of tragedy, loss, and the indomitable spirit that can triumph over even the most devastating circumstances. It is a testament to the power of love, the strength of the human spirit, and the resilience that can be found in the face of adversity.
