Edited by Toyin Falola and Akintunde Akinyemi

Visions of Liberation: Ohio Short Histories of Africa is a groundbreaking collection of essays that explores the rich and complex history of Africa from an Ohio perspective. This book offers a unique and valuable resource for students, scholars, and anyone interested in African history and the African diaspora.

The essays in this volume cover a wide range of topics, including the African slave trade, the abolitionist movement, the African American Civil War, and the African American diaspora. The authors provide fresh insights into these important topics, and they challenge traditional narratives about Africa and its people.

Visions of Liberation is an essential resource for anyone who wants to learn more about African history and the African diaspora. This book is a must-read for students, scholars, and anyone interested in the history of Ohio and its role in the fight for freedom and equality.
