

# Water at the Roots: Uncovering the Hidden Histories of Chinese Americans

A groundbreaking work that uncovers the hidden histories of Chinese Americans

Water at the Roots is a groundbreaking work that uncovers the hidden histories of Chinese Americans, tracing their journey from the Gold Rush era to the present day. This beautifully written and meticulously researched book is a must-read for anyone interested in American history, immigration, or Asian American studies.

In Water at the Roots, author Erika Lee traces the lives of Chinese immigrants from their arrival in the United States in the mid-19th century to their experiences in the 20th century. She explores the challenges they faced, the communities they built, and the ways they shaped American society.
